In assessing claims made insurers may also undertake checks against publicly available information as necessary such as electoral roll, county court judgements, bankruptcy orders or repossessions.

Some of the information which you give us about this claim may be passed to other insurance companies you tell us about. They will give us information about your policy with them, and we may ask them to pay a contribution to this claim. A contribution payment is normal practice where two or more policies cover the same thing. If another company contributes to your claim with us, it should not affect any no claim discounts you may have with them.

The currency applicable to the QuoteDesk Static Home contract is Sterling as per your schedule. There may be occasions when we need to convert from Sterling to Euros or Euros to Sterling.
